Experts Reveal The Long Forgotten Techniques To A Fulfilled, Abundant Life
The Law of Attraction is so powerful that it brought together these three individuals, each from a different walk of life, but, who all have the common goal of helping people. You see, each one, in their own way, foresaw and manifested a partnership with the other two; knowing that their collaboration would only make their mission of helping people more cohesive.

Rebecca, openly and willingly shares her knowledge and lends her guidance as she coaches you through the scientific process of Dynamic Meditation. A process pioneered in the late 1960’s by a gentleman named Jose Silva.

After 22 years of relentless research, Mr. Silva developed the Silva UltraMind ESP System of Dynamic Meditation. A process which anyone can learn in as little as 2 days.

Although sometimes confused with the method Mr. Silva released to the general public in the late 1970’s, known as the Silva Method, the Silva UltraMind ESP System offers a much more efficient and broader approach to Dynamic Meditation.

For the Silva UltraMind ESP System, Mr. Silva developed two “easy to use” powerful techniques which will guide you almost effortlessly towards achieving any goal you desire.

Through a simple proven scientific process you’ll learn in hours (instead of weeks and months) how to accurately reach the Alpha Level of meditation; a level where you’ll be totally relaxed and focused yet completely in control and aware of your surroundings.

Once at the “Alpha Level”, you’ll harness the power of your subconscious mind so you can actively participate in instructing it to guide you towards achieving all your goals. You see, in the Alpha Level, things like Affirmations, Visualization, Healing, Intuition and Clairvoyance all work hundreds, if not thousands of times better. Master the Art of Dynamic Meditation And Easily Control Your Destiny In just 2 days, Rebecca will help you to master the art of Dynamic Meditation through the Silva UltraMind ESP System. You’ll quickly and easily reach the Alpha Level (she guarantees it) and learn the two scientifically developed techniques that will help you attract all the things you want into your life. The first is called the Three Scenes Technique. This is the tool you’ll use to instruct your mind to launch you towards a goal.

But the best part is, this technique is not just a way to create self-motivation internally, it will actually bring forth external coincidences (things otherwise considered beyond your control) to help you achieve your goal. You’ll quickly begin to notice that “Luck” is something you attract into your life and control.

The second technique is called the Mental Video Technique. Nothing you’ve tried before, read about or even “heard supposedly works” will come close to this amazing technique.

With this technique you’ll instruct your mind to tap into higher consciousness, while you sleep, to bring you answers to complex problems, provide you with guidance in life and help you make better decisions.

You’ll see this guidance as dreams, ideas that pop into your head, thoughts or physical coincidences in the form of meaningful signs. You’ll use this powerful technique to make the RIGHT decisions, 70%, 80% even 95% of the time. “Everything You Need All In One Place!” With these simple and highly effective techniques, you’ll have everything you’ll ever need to connect to your subconscious mind, tap into a higher level of awareness, obtain guidance and help from higher intelligence, discover your life’s purpose and achieve your goals. It’s your clear and decisive path to living a more fulfilled, joyful and quality life; to getting what you “really want, instead of settling for what comes your way.

Now, the best way to properly learn how to use these amazing tools is to attend a Life Transforming 2-day Seminar with Rebecca. She is an expert because she has been personally trained and certified as an instructor by the Director of Silva UltraMind ESP Systems, Alejandro Gonzalez Silva, the first nephew of UltraMind founder, Jose Silva. Pre-registration is required to attend any of her classes as seating is limited. Rebecca can be reached by email or telephone at: rebecca@rebeccacushing.com or 508-958-1635.
